Dear Parents & Carers,

We have had a fantastic start to Term 3 and I thank you for ensuring the students in your care have returned to school energised, in full school uniform, ready and eager for learning. The teachers have remarked at how quickly the students have settled back into routine. I would like to thank all staff, students and families for a great combined effort in bringing together talented community members to take part in our NAIDOC Week celebrations at the end of last term. I hope you enjoy the photos of some of the fun activities the students were involved in. The Year 5/6/7 Camp organisations are going along quite smoothly but it is important that all completed forms are returned to Mr Damien on Monday 30 July as final details need to be put into place. Next week we have a group of students and staff from St Augustine’s College, Kyabram staying at our school and WDHS to engage in the schools and experience the wonders of our beautiful Wyndham town. On Monday, the Year 3/4 & 5/6/7 classes along with the St Augustine’s students will be visiting WDHS to take a look at the Careers Expo. A team from Touch West will be coming out to the school on Wednesday August to promote the game in the Kimberley. The Year 3-7 students will be involved in some information sharing and fun games of touch football. I look forward to a fun filled, productive term where we all strive to work in the spirit of peace and harmony.

God bless Miss Andrea

IT'S NOT OK TO STAY AWAY

School attendance is the responsibility of parents and caregiver.

IT’S NOT OK……because school enables children to build on their knowledge and skills each day, each week and each year.

IT’S NOT OK…… because children can miss out on the basic skills and may experience difficulties later with their learning.

IT’S NOT OK…… because school helps children build confidence in areas such as communication, teamwork, organisation and social skills.

IT’S NOT OK……because going to school is a legal requirement and there can be fines imposed.

THANKYOU

for your cooperation in keeping dogs at home during the school day. For the welfare and safety of our students it is imperative that NO dogs are allowed on school property any time.

PRAYER OF THE WEEK

GOD OUR FATHER
We thank you for St Joseph’s School and for all who make it a special place.
Bless the children who are growing in the care of Jesus.
Bless our parents and teachers who help us to love and care for others and help us to learn.
We remember with thanks the Josephite Sisters and other sisters who have worked in our school.
We pray for our Parish of Our Queen of Apostles and our town of Wyndham.
May our school community always be a place of love, peace, laughter and learning.
AMEN

PAULS SCHOOL FUNDRAISING
Thank you for sending/bringing in the coloured ‘Collect A Cap’ milk bottle tops. For each cap collected, the school receives 10c, which will go towards buying resources for our school. Just drop them off to Miss Candice in the canteen.

Healthy Food Choices

5 WAYS TO GET YOUR FAMILY ACTIVE!
1. Explore ways to be an active family. Explore a national park, go bushwalking, walk and camp in the hills, take a walking tour of the city, bike ride together and play with your kids.
2. Take part in community events. Help organise fun events in your community, volunteer for a little clean-up or a writing festival. It’s great to create opportunities for you to be involved in the community.
3. Support your children’s choice of activities. Some kids go for organised games, others prefer less structured activities like riding their bike or skateboard. Whatever their choice, praise them for their effort.
4. Give gifts and presents that encourage activities. For birthdays and Christmas, give bikes and boards, instead of toys. Make it easy for your children to be active.
5. Develop a family ‘action plan’. As a family, decide what activities you like to do. Choose physical activities you enjoy doing together. Write down your plan for all the family to see.

BENEFITS OF BEING ACTIVE EVERY DAY

Enjoy the many benefits of having an active child. Being active every day can help children to:
- Be healthier, learn faster, and have better concentration.
- Sleep better as they get rid of their extra energy.
- Learn both mental and physical skills, and develop their balance and coordination.
- Improve their creativity and imagination by exploring the world around them and making up their own active fun and games.
- Enjoy their social skills and make friends if they play, have fun and cooperate with others.
- Be more relaxed, less stressed.
- Be better protected against lifestyle diseases in later life.
- Grow and develop through stronger muscles, bones and a healthier heart.
- Feel better about themselves, as being physically active helps to boost their self-esteem and confidence.

AN ACTIVE LIFESTYLE = A HEALTHIER, HAPPIER FAMILY!
To be healthy and active, mums, dads and kids all need some physical activity every day. Being active regularly can promote your family’s health and wellbeing and your children’s growth and development, so everyone in your family benefits, not just your kids!

Some simple ways to become a more active family:
1. Plan some fun. Picnics are fun, but planning a picnic at your local park or playground, or drive to somewhere new with plenty of space for the kids to run around.
2. Join in children’s games. Kids love it when you join in too! Have a frisbee or ball, or build a sandcastle, kick a football around, fly a kite or play chasey or hopscotch.
3. Take up active recreation at every opportunity. Email kids in dance classes. Or, for that matter, enrol yourself as well.
4. Take a walk, go for a gentle run or a good walk.
5. Look out for family fun. Not all family activities cost you money. There are many free activities like a family walk or a game in the backyard, beach or local park.

ACTIVE TIPS FOR BUSY FAMILIES
- Check with the Council what organised physical activities are available in your local area. You could see an organised session held every week like gym, martial arts and cheerleading.
- Plan to do something physical and active together as a family on a weekend day. Visit a park or play some sport that you can walk or ride to in your neighbourhood, or travel to a nearby ‘play friendly’ place for children to play.
- Invite your child’s friends over for ‘play weeks’ and support them to play active games together.
- Support and encourage your child to play outdoors, as they’re more likely to be active because they’re having fun. Join in with their games when you can and help them to come up with new games to keep them busy.
- Keep some active play items at home, like equipment friendly to the floor of the room like a skateboard, frisbee, a frisbee, or a ball in a net. Relax in cases on opportunities to move around or have a game come up. Think you’re ready for action;
- Remember to be a role model for your child and be active in your own daily life.
