*Dear Families*

*I have just spent most of this week in Perth with Principals from all over WA, at the Catholic Education Office, involved in the first Director's Forum for the year. It was an opportunity for us all to gather and hear from Mr Ron Dullard, Director of Catholic Education, about the many new initiatives that will be implemented this year. He also spoke to us about the importance of regularly reviewing current school practices and how we as a community can work together to ensure that we are constantly striving for whole school improvement. This fits perfectly into our first school community event to be held on Thursday 15 March at 9.45am. We would like to invite all members of the community to gather for morning tea, and to preview the draft version of the School Community Partnership Agreement Pamphlet which is being created by staff members. It is extremely important for parents and carers to have input before it is published, as you all did when the Partnership Agreement was written. This is open to ALL members of our school community so please make every effort to attend. I have included the opening statement of the School Community Partnership Agreement below, written by you the community, committing to build relationships within the school community. There will be a separate invitation coming home today so could you please fill it in, tear off the reply slip and send it back to me so I can ensure there is enough food to go around.*

*God Bless  
Miss Andrea*

### **School Community Partnership Agreement St Joseph's Wyndham**

***"We the parents and community and staff of St Joseph's, Wyndham of the top town of the west agree to provide an environment that exemplifies gospel values. We commit to better communication and build relationships within the school community, maintain our cultures and strive to encourage attendance by engaging our students in shared positive learning."***

### PROJECT COMPASSION

Thank you for supporting the Kindy/Pre Primary Popcorn sales this week as all the money raised will be sent to Project Compassion 2012 to go towards putting an end to poverty in the world. Thank you also to the teachers and students for preparing the fund raising events.

### LENTEN PRAYER

Loving God

Please accept my small acts of sorrow today

Help to release me from thinking only of myself which closes my heart to you

As I journey through Lent let me remember the feast you have prepared for me in the

Resurrection

And let me be filled with thanks to you

AMEN

### SCHOLASTIC BOOK CLUB

Book Club order will be going home today and must be returned to school by Friday 23 March if you would like to purchase some books for your child to enjoy at home.

### IN-TERM SWIMMING LESSONS

It is extremely important that **ALL** swimming forms are returned by Monday or your child will be unable to take part in the swimming lessons. It will be helpful if your child/ren come to school with their bathers on, under their school uniforms & they bring a set of underwear to change into after their lessons. This will aid with a smooth running of the program. Thank you for your cooperation.
