Dear Families

The new school shirts have arrived at last and at present we have sizes 4 - 14 available. There are still plenty of the old shirts that we will continue to sell to families at a reduced price. There are still students arriving at school after 7.45 and sometimes as late as 8.30! This is not fair on the student as it makes it very difficult for him/her to be able to settle in to the class routine already set and discussed as a whole class. Please make it a priority to ensure your child is at school ON TIME every day.

We had a very informative visit from two members of the armed forces on Tuesday, on their way to Broome for the Expo. The students from Yr 4 - 7 spent some quality time with them while they spoke about life in the armed forces and some of their experiences. The students had opportunities to try on some of their gear and ask interesting questions.

Some families will be receiving a Quality Catholic Schooling - Parent Survey with the Newsletter this week, which I ask you to please fill in and return to the school by Monday 7 May. It has been designed for schools and Catholic Education to use the data gathered, to improve in areas that are identified with your assistance. I thank you for your cooperation in completing the survey.

God bless

Miss Andrea

Prayer for Hope

**God, Father to us all, when our path is uneven and rocky and the ground beneath our feet falls away:
May we always feel your presence in our lives.**

May we hear your voice and be comforted and strengthened with renewed hope.

May you provide people who will stand by us and encourage us as we pass through adversity.
