From the Principal - Ms Naomi Martin

Greetings to the community,

NAPLAN

Thank you to the Yr 3,5 & 7 students who completed the NAPLAN tests so diligently. The tests are an important test, but not the only form of assessment for any student. I would also like to thank the school staff for supporting the students through the last week also, and thank you to Miss Shirley for coordinating the tests.

SCIENCE INCURSION

We had a fantastic Science Incursion on Friday. The incursion was all about electricity. The students were really engaged for the entire hour of the incursion. They learned about all forms of electricity and were taught about how electricity can travel through people. Thank you to Miss Maureen for

organising the incursion.

FUND RAISING FOR CAMPS

I would ask any members of the community who are interested in helping on a fund raising committee to raise money for our school camps - to contact me in the next few days. We hope to meet this Friday to discuss and begin our fund raising adventure!

CRICKET

The year 4,5 6 & 7's were all involved in a cricket workshop last week. The cricket was well received and the students were focused on improving their cricket skills, learning from professional cricket players and teachers from Cricket WA. Thank you to Mr Danny and Miss Jean for organising this event.

PD FOR STAFF

On Thursday and Friday this week we have two Mathematics consultants

visiting our school offering

Professional Development (PD) for our teachers in Mathematics. Next Monday, 27th MAY is a pupil free day, when the teachers will do a third day of this PD in Kununurra.

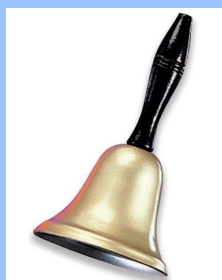

Reminder that for the next two Mondays, there is no school for the students.

MONDAY 27TH MAY
- PUPIL FREE DAY,

MONDAY 3RD JUNE
- PUBLIC HOLIDAY
FOR WA DAY.

Sincere thanks to all our students for the fabulous start to term 2. We have had a very smooth start, and the students have come back and moved straight in to solid learning.

Ms Naomi Martin
